Hebrews ch 10

Jesus – a better sacrifice

Not a contrast between Judaism & Christendom

`Once for all`

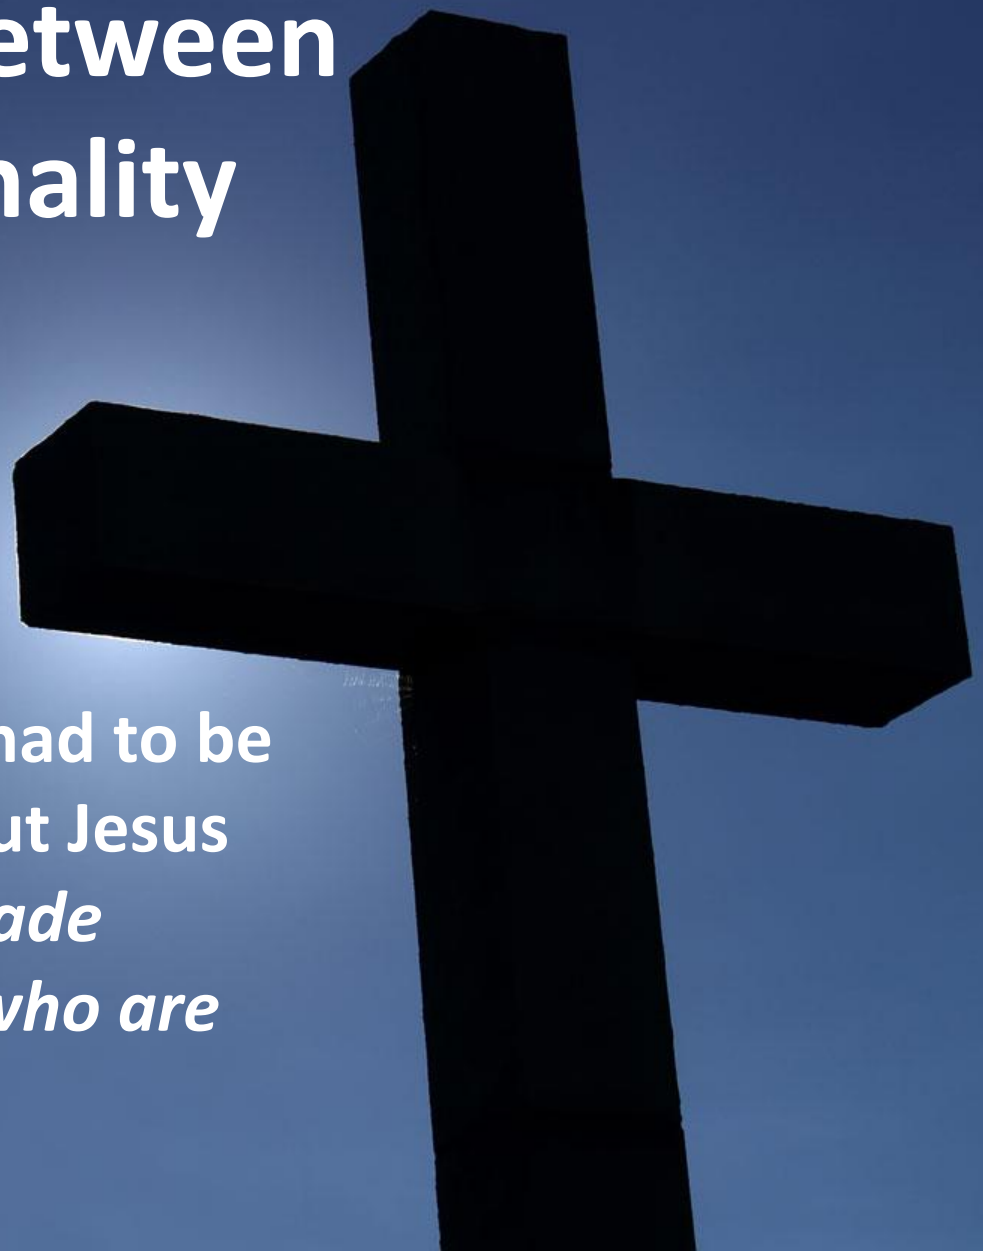
9:12; 9:26; 10:10-14)

1. A contrast between shadow & substance

(10:1-10)

Quotes Ps 40:6-8
The first (the shadow) is taken away to be replaced by the second (the substance).

2. A contrast between frequency & finality (10:14-18)



The Levitical offerings had to be repeated continually but Jesus `*by one sacrifice has made perfect for ever those who are being made holy*`.

3. A command to stand firm

(10:19-39)

Let us:
Draw near to God
Hold unswervingly to our hope
Consider
Not give up meeting together
Encourage one another

This is the heart of God’s good news

This is the basis of our assurance
