Dear

Leaders In Training (LIT) Programme

We would like to invite you to join the above programme at HRBC youth, as a way of developing your leadership skills and providing you with an opportunity to serve on a practical level.

As you enter or continue 6th form, we recognize your ability and potential as a young leader, and would love to help you fulfill this. After a great success last year we will continue to equip, encourage and establish LIT's alongside our leadership team.

Your responsibilities will vary throughout the year, but we hope you will feel stretched, challenged and supported as we go. You will never be made to do anything that you do not want to do, so don't worry about having to stand at the front of give a talk; this will be an option, but not a requirement. We need many LIT's with complimentary gifts and talents, and it'll maybe surprise you what many talents you have. It is a great chance to see if youth work is for you and to give back into HRBC youth.

We will provide leadership training, books, pizza, T-shirts as well as other benefits throughout the year. Some of these may incur a small charge, but well worth it. You should also be registered on the Millennium Volunteers Scheme and receive 50, 100 and 200 hour certificates, which look great on CV's!

If you have any questions please get in touch or if you feel this is for you then please fill in the attached Registration form and return to the youth office. We will then be in touch about a launch night in the near future.

Yours sincerely,

Keith McIlwaine

Youth Pastor
